

**REMARKS**

**I. Status of Claims**

Claims 1-13 were pending in this application prior to the filing of this response.

All of Claims 1-13 were subject to an election requirement.

Upon entry of this amendment, Claims 1-13 will be cancelled, Claims 14-27 will be added as new claims, and Claims 14-27 will be pending.

Claims 1-13 have been canceled without prejudice or disclaimer in order to advance the prosecution of the present application. Applicants reserve the right to continue prosecution of any canceled restricted claims in a timely-filed divisional application.

**II. Response to Election of Species Requirement**

In the Office Action dated March 21, 2008, an Election of Species Requirement was issued requiring Applicants to elect a single species from the following:

- 1) the specific compound wherein variables A, B, Z, R, and R1 are specified, and
- 2) the specific disease treated.

As stated above, Claims 1-13 have been cancelled, while Claims 14-27 have been added as new claims. Claims 14-27 do not include variables A, B, or Z.

In response to the Election requirement, Applicants elect to pursue prosecution of “sodium salt of 2-amino-pyrimido[4,5-d]-6H-pyridazine-5,8-dione” as the specific compound, and sexual disorders/sexual dysfunction as the specific disease treated. Applicants assert that

Claims 14-16 and 22 appear to read on this compound and disease. This election is made without traverse.

**CONCLUSION**

Based on the foregoing amendments and remarks, Applicants respectfully request reconsideration and withdrawal of the rejection of claims and allowance of this application.
